### CUP POLICY

We are delighted to introduce our Pub in the Park Reusable Cup Scheme!

We have teamed up with a carbon-neutral reusable cup system. We understand now more than ever the importance of being more sustainable.

Join us in taking a step forward in the right direction with being more sustainable. All you need to do are these four simple things:

1. Buy your drink
2. Enjoy your drink
3. Return your cup to the bar or place into one of the purple one cup bins
4. PLEASE DON'T TAKE YOUR CUP HOME. It's as easy as that!
